

ONCE MORE A HAPPY WOMAN

Completely Cured of Catarrh by Peruna.

Miss Ida Murray writes from 117 Polk street, Minneapolis, Minn., as follows:

"Every fall and winter of late years I had a severe cough and cold which physicians have been unable to cure. This last winter, at the advice of my father, I decided to try Peruna. I had my friend and her family had used Peruna with good results."

"I was more than pleased with what the medicine did for me, and kept it about the house. I also used it for the catarrh of the head, which made the slightest cold so much worse. I am completely cured of my catarrh after four months' faithful use of Peruna, and my general health is greatly improved. I always speak a good word for Peruna."

IDA MURRAY.

Mrs. Annie Glen, president of the General H. W. Lawson Co., writes from the G. A. E. writes the following letter from Edgewater, Ill.:

"The Peruna Medicine Co., Columbus, O.: Gentlemen—I have suffered for nearly eight years with more or less backache and heart trouble, and my general health is greatly improved. I always speak a good word for Peruna."

Catarrh Generally Thought to Be a Disease of the Head Only.

Catarrh has been so generally thought to be a disease confined to the head and throat that it is very difficult for many people to understand that catarrh may affect any organ of the human body.

All the organs of the body are lined with mucous membrane; all the passages of the body are also lined with mucous membrane.

MERCHANTS ARRESTED.

Refused to Pay the Indian Tribal Tax.

Armore, I. T., Oct. 12.—A dozen leading merchants of Armore were arrested today and their places of business closed by Captain Ellis and a squad of Indian police for refusing to pay the Indian tribal tax. They submitted peacefully, but United States Judge Townsend, immediately applied to, and issued injunctions against the Indian police, with the result that the stores were immediately reopened. The case will be taken to the United States courts. The merchants consider this tax unjust, inasmuch as they are now paying revenue to the city, and profess to believe that it is a dead letter. This was the last day given by the Territory officers to comply with the law.

THE FAIR CLOSED.

Cape Girardeau, Mo., Oct. 12.—To-day closed the third annual fair of the Cape Girardeau County Fair and Park Association. The fair was a success in every respect. A conservative estimate places the attendance at 100,000 people. The displays in floral hall, the races and exhibition of fine stock eclipsed anything seen heretofore.

ARE QUICK TO SEE.

Good Doctors Are Quick to See and Appreciate Real Merit in New Medicines.

Stuart's Dyspepsia Tablets are a discovery of great value to the medical profession and the public. They are an unfailing specific in all cases of dyspepsia and disordered digestion.

Almost everybody's digestion is disordered more or less, and this commonest trouble they do for it is a perfect cure. Such things are not needed, if the organs in a disordered condition, they need only a little help and they will right themselves. Catarrhs irritate the sensitive lining of the stomach and bowels and often do more harm than good.

Purgings is not what is needed. The thing to do is to put the food in condition to be readily digested and assimilated. Stuart's Dyspepsia Tablets do this perfectly. They purify the system, and then give the stomach just the help it needs. They stimulate the secretion and excretion of the digestive fluids and relieve the congested condition of the stomach and bowels. They put the whole digestive system in condition to do its work. When that is done you need take no more tablets unless you eat what does not agree with you. Then, take before a light breakfast, and you will find that you will have no trouble.

It is a common sense medicine and a common sense treatment and it will cure every case. Not only cure the disease but cure the cause. Give about it in a perfectly sensible and scientific way.

We have testimonials enough to fill a book, but we don't publish many of them. However—

Mrs. E. M. Faith of Rye's Creek, Wis., says: I have taken all the Tablets I got of you and they have done their work well in my case. For I am suffering myself. I wish altogether. I don't doubt if I had not got them I should have been at rest by this time.

H. E. Willard, Onslow, Ia., says: "Your dyspepsia cure has worked wonders in my case. I suffered for years from dyspepsia, but am now entirely cured and enjoy life in my old age. I never before felt so good."

It will cost less to find out just how much Stuart's Dyspepsia Tablets will help you. They are the best way to decide. The druggists all have a little book on each disease will be mailed free by sending F. A. Stuart Co., Marshall, Minn.

WATCHMAN SAVES A SPOOK MYSTERY.

Discovers Two Men in Mrs. Bamberger's Abandoned Home, Who Leap From Window and Escape.

MISS IDA MURRAY.

Wherever there is a mucous membrane there catarrh may exist.

The only reason that catarrh is more frequent in the passages of the nose and throat is because these passages are more exposed to cold than the other portions of the mucous membrane. But one is liable to have catarrh of the lungs, or kidneys, or stomach, or liver, or bowels, and especially the bladder and other pelvic organs.

Peruna is a specific in cases of female weakness or pelvic catarrh, and is heartily endorsed by all the women.

A free book written especially for women, entitled "Health and Beauty," sent to any address by The Peruna Medicine Company, Columbus, Ohio.

THE MYSTERY OF THE SPOOKS, WHICH ARE SAID TO OCCASIONALLY PROWLER ABOUT THE ABANDONED BAMBARGER HOME, AT NO. 319 CHATEAU AVENUE, HAS BEEN SOLVED, AT LEAST IN THE MIND OF PRIVATE WATCHMAN JOHN KINSKID, WHO WALKS A BEAT IN THAT LOCALITY, AND WHO HAS OF LATE BEEN HUNTING FOR THE "SPOOKS" IN THEIR MALE HASTE TO GET OUT OF RANGE OF THE WATCHMAN'S BULLETS.

By the time Kinskida had reached the shed and dropped to the alley the two men had disappeared and further pursuit was useless, as the escape of the men was effectively covered by the gloom of the alley, which was broken only by a single light.

Kinskida returned to the house, and in the bathroom, which is midway between the front and rear rooms on the second floor, found a piece of candle, which accounted for the strange light. After making a thorough investigation he decided that the intruders left nothing except the candle behind in their flight, and that there were no evidences that the lead pipe had been tampered with.

"I can assign no reason for the appearance of the men in the house at that hour of the night," said Kinskida, when seen at his home, No. 137 South Ninth street. "I was not close enough to them to note their features. The Bamberger house has been generally shunned since the mysterious disappearance of the man who was connected with it a year ago. Last summer a family occupied it for two months and departed suddenly, saying that the house was haunted. It is a very old building, but no one will live in it." The two intruders were short, stout men, dressed in dark clothes.

The town was gaily decorated and filled with strangers.

SAME OLD SCARECROWS.

Republicans Again Attempt a Policy of Coercion.

REPUBLICAN SPECIAL.

Springfield, Ill., Oct. 12.—The Republican National Committee is using the same scarecrows and decoys of four years ago with the insurance agents, building and loan associations and savings banks deposited.

The Reverend Mr. Johnson of the M. E. Church delivered an invocation and Master Lester Haskins sang a solo on the evils of the tariff.

Then Chairman Corbett introduced Mr. Alschuler to a crowd of 1,000, and the speaker waved his hands for silence. He talked of the glory of our free country and of the duty of every citizen to support its Constitution and free institutions. Referring to the tariff he said:

"It is a beautiful flag, symbolical of what is highest and noblest and greatest of all existing governments. It is not merely a combination of pretty colors, but it is grand and inspiring because of the splendid principles for which it has stood for over one hundred years. It is beloved by the American people because it stands for freedom, honor and peace. America's motto is 'liberty and justice under law.' It is the duty of every citizen to give their approval to its use over a colony of subjects, protecting also the American people from the influence of the American power and money and blood to deprive people somewhere of a liberty of which they are as fond as we are."

Mr. Todd followed Mr. Alschuler in a very effective argument on the same lines. He declared that the tariff was a "tax on the people" and that it was the duty of every citizen to support its Constitution and free institutions. Referring to the tariff he said:

Know that Lydia E. Pinkham's Vegetable Compound saved my life.

DEAR MRS. PINKHAM—It affords me great pleasure to tell you and others the good I have derived from the use of Lydia E. Pinkham's Vegetable Compound, Sanative Wash, and Liver Pills. When I began their use I thought there was no hope for me. I had had the best doctor in our town and grew worse every day. I gave up the use of his medicine and began using your remedies, and to-day I am in better health than I have been for several years. I feel I owe it all to you, and can say that your medicine cannot be praised too highly. I shall always advise all suffering from female trouble to use your Vegetable Compound. I know it saved me from the grave.

"I thank you for your kind advice in regard to my health."—Mrs. ANNIE METZ, Caseyville, Ky.

Gratitude for recovered health makes generous hearts. Women who seek Mrs. Pinkham's advice are promptly helped, and they want all sick women to know about it. Mrs. Pinkham's advice is free. Her address is Lynn, Mass.

MRS. W. L. STONE, North Dana, Mass., writes:

"DEAR MRS. PINKHAM—I have followed your kind and free advice and am to-day a new woman. My last doctor told me I would have to go through an operation before I could be well. I had womb and ovarian trouble. I would suffer something terrible, such pain in my left side, and it seemed as though I was all falling to pieces. Was nervous all the time, and could not sleep nights. I cannot thank you enough for being so kind. I shall always recommend Lydia E. Pinkham's Vegetable Compound, and hope that my letter may benefit some other poor suffering woman."

Lydia E. Pinkham's Vegetable Compound has made a constant record of cures for thirty years. It acts directly on the female organism and makes it healthy, relieving and curing all inflammation and displacements.

MRS. INFELD, 509 Jefferson Place, Union Hill, N. J., writes:

"DEAR MRS. PINKHAM—I have you to thank for my health and strength. I have taken your medicine for two years. Before I began its use I was so weak that after I had worked an hour in the morning I was obliged to lie down. I had fearful headaches, could not sleep, had palpitation of the heart, was always tired, and suffered in many other ways. Now I am perfectly well and much stronger than I was ten years ago. I am fifty-three years old, and the mother of ten children. I never feel tired since taking your Vegetable Compound."
